Compulsory School Age	6 (Cal. Educ. Code § 48200)
Provision for Early Entry to Kindergarten	The school district may admit, on a case-by-case basis, a kindergarten child who will turn 5 at any time during the school year providing a) the parent or guardian gives permission, b) the district determines early admittance is in the best interest of the child and c) the parent or guardian is given information regarding the advantages and disadvantages of early admittance. (Cal. Educ. Code § 48000)
Other Age Issues	The kindergarten readiness pilot program allows selected districts to raise the kindergarten entrance cut-off date to September 1. Children who would have been eligible for kindergarten under the December 2 deadline will be given the opportunity to attend public pre-kindergarten classes instead. (Cal. Educ. Code § 48005)
Minimum Required Hours/Days for Kindergarten	3 hours/day 180 minutes, inclusive of recesses Exceptions may be made for districts with fewer than 40 kindergarten pupils. In such cases, the district may apply to the superintendent of public instruction requesting approval to maintain 2 kindergarten classes of 150 minutes each on the same day which are taught by the same teacher. (Cal. Educ. Code §§ 46117 and 46119)
Admission Requirements for Kindergarten	Proof of age (Cal. Educ. Code § 48002)
Kindergarten Curriculum - General Info	Districts with early primary programs (an integrated, experiential and developmentally appropriate educational program for children in preschool, kindergarten and grades 1-3) must provide "a program designed around the abilities and interests of the children in the program and one in which children learn about various subjects simultaneously...through 'hands-on' or 'active learning' teaching methods that are more appropriate for young children than the academic 'textbook' approach." (Cal. Educ. Code § 8971)
Kindergarten Standards - General Info	"Not later than January 1, 1998, the state board of education shall adopt statewide, academically rigorous

	content standards. . .in the core curriculum areas of reading, writing, mathematics, history/social science and science..." (Cal. Educ. Code § 60605)
Kindergarten Assessment - General Info	<p>All kindergarten students must be screened to determine which pupils have a potential for developing learning disability problems. (Cal. Educ. Code § 49580)</p> <p>Districts with early primary programs (an integrated, experiential and developmentally appropriate educational program for children in preschool, kindergarten and grades 1-3) must use observation over time and portfolio material as the primary sources of assessment information for making curricular decisions. Standardized assessment tests may be used for diagnostic purposes only and shall not be used to deny admission. (Cal. Educ. Code § 8972)</p> <p>Schools participating in the Early Intervention for School Success Program must use a collaborative school team approach to plan instruction based on an initial assessment of each student validated and supported by on-going multiple assessment techniques of the instructional learning needs of students in preschool and grades K-2. (Cal. Educ. Code § 56485.9)</p>
State Pays for Early Entry Kindergarten Students?	No
District Offering of Kindergarten	Mandatory (Cal. Educ. Code § 48000)
District Offering of Kindergarten: Notes	—
Student Attendance in Kindergarten	Permissive
Student Attendance in Kindergarten: Notes	—
Kindergarten Demographics	
Maximum Kindergarten Class Size	Schools receiving funding through the Class Size Reduction Program must maintain an annual average class size of not more than 20 pupils for the school year. Any school district that maintains any kindergarten or any grades 1 - 3 may apply for an apportionment to implement a class size reduction program. (Cal. Educ. Code § 52122)
Required Kindergarten Teacher:Student Ratios	Not specified in statute
Provision for Skipping Kindergarten	<p>A kindergarten child who is judged by the administration of the school district to be ready for 1st grade work may be admitted to the 1st grade at the discretion of the school administration and with the consent of the child's parent or guardian if the child is at least 5 years old and meets the following criteria:</p> <p>1) The child has attended a public school kindergarten for a</p>

	<p>long enough time to enable school personnel to evaluate his ability;</p> <p>2) The child is in the upper 5% of his age group in terms of general mental ability; and</p> <p>3) The physical development and social maturity of the child are consistent with advanced mental ability.</p> <p>(Cal. Educ. Code § 48011; Cal. Code Regs. 5 § 200)</p>
Conditions for Kindergarten Exemption	Kindergarten attendance is not mandatory in this state.
<b>Full-Day Kindergarten</b>	
Admission Requirements Specific to Full-Day Kindergarten	Not specified in statute
Student Attendance in Full-Day Kindergarten	—
District Offering of Full-Day Kindergarten	Allowed for Early Primary Programs only (Cal. Educ. Code § 8973)
District Offering of Full-Day Kindergarten: Notes	<p>As required by Cal. Educ. Code § 46111, no kindergarten student should be kept in school for more than 4 hours a day, exclusive of recesses, except for pupils in Early Primary Programs. Early Primary Programs are defined as "an integrated, experiential, and developmentally appropriate educational program for children in preschool, kindergarten, and grades 1 to 3, inclusive, that incorporates various instructional strategies and authentic assessment practices, including educationally appropriate curricula, heterogeneous groupings, active learning activities, oral language development, small-group instruction, peer interaction, use of concrete manipulative materials in the classroom, planned articulation among preschool, kindergarten and primary grades, and parent involvement and education."</p> <p>Full-day kindergarten is prohibited in one section of the education code and allowed in another. Cal. Educ. Code § 46111 prohibits kindergarten from exceeding 4 hours (excluding recesses) unless children are participating in an Early Primary Program as allowed under Cal. Educ. Code § 8970-8974. Cal. Educ. Code § 8973 specifically states that kindergarten may exceed 4 hours if the program is not longer than the other primary grades and if there are opportunities for both active and quiet activities.</p>
If district offering of full-day kindergarten is mandatory, must districts also offer a half-day kindergarten option?	Not applicable
Full-Day Kindergarten Attendance: Notes	—

Kindergarten Teacher Issues	
Kindergarten Teacher Certification Requirements	Not specified in statute
Early Childhood Training or Certification Requirements for Kindergarten Teachers	Teachers participating in the Kindergarten Readiness Program (pilot program that raises the kindergarten entrance age) must hold a permit or credential issued by the Commission on Teacher Credentialing that authorizes instruction in kindergarten or child care and development. (Cal. Educ. Code § 48005.35)
