ArtScan at a Glance summarizes state policies for arts education identified in statute or administrative code for all 50 states, plus the District of Columbia. Information is based on a comprehensive search of state education statute and codes on each state's relevant websites. Complete results from this review are available in an online searchable database at aep-arts.org.

Note: This summary only includes policies found in state statute, law or administrative regulations/code that refer explicitly to arts education.

Arts as a Core Academic Subject	State defines the arts as a core or academic subject.

Arts and STEAM Diploma Seals	State awards an endorsement upon graduation to students demonstrating proficiency or achievement in arts or “science, technology, engineering, arts, and math” (STEAM) education and coursework.

ArtScan, a project of the Arts Education Partnership, is an easy-to-use and searchable database that provides the most current information on 15 combined policy areas related to K-12 arts education. ArtScan allows users to explore the data in multiple ways, including a state-level profile for all policy areas, a comparison of selected states and policy areas and several types of 50-State Comparisons.

AEP is grateful for the partnership of the State Education Agency Directors of Arts Education in support of this project. AEP has been supported by the National Endowment for the Arts and the U.S. Department of Education since 1995, and is administered by Education Commission of the States.
