

## Alaska State Profile

March 1, 2019

State profiles for the data visualization and 50-State Comparison on postsecondary governance structures summarize information about coordinating boards/agencies and governing boards, administrative/service agencies, advisory groups and membership organizations. The most in-depth information is provided for statewide and major postsecondary systemwide coordinating boards/agencies and governing boards.

*Note:* This resource does not include information related to setting tuition rates, administering funding formulas or allocating funds. The state profile information is based primarily on statutes, codes and state and postsecondary system board/agency policies. To the extent possible, Education Commission of the States reached out to state and system officials to verify our information.

### State Overview

The University of Alaska Board of Regents is a statewide governing board for the public four- and two-year higher education system and the institutions do not have local boards. The system office provides services, administers academic programs and conducts research, among other duties. The board appoints the president of the University of Alaska system. The Alaska Commission on Postsecondary Education is an administrative/service agency that provides centralized planning for postsecondary education and administers several programs, including financial aid. The commission is an agency of the executive branch and is overseen by a board, which appoints the executive director.
